Prayer, Listening and Discerning 2024–2025

This report is a thematic summary of the responses provided by parishioners and clergy at three gatherings in the Family of Parishes which includes Carrigaline, Crosshaven, The Harbour Parishes (Monkstown and Passage West) and Tracton Abbey.

The three gathering were held in the Spring of 2025 in response to Bishop Fintan’s Pastoral Message of September 2024. The Bishop called for prayer, listening and discernment centred on three topics:-

- A. **How can we make baptism the gateway into life in our faith community?**
- B. **How can priests, deacons and parishioners prepare for and celebrate the Sunday Eucharist so that we are nourished and strengthened to tell others about Christ?**
- C. **Session 3 was a review of the families of parishes and posed seven questions for consideration.**

Themes under each topic are given in order in which they are highlighted in the responses.

A. On Baptism:-

1. Preparation and Catechesis for Parents

Strong, recurring theme across all groups:

- **Carrigaline:** Suggests Alpha-style courses, discernment questions, videos, baptism booklets, and reflection time.
- **Crosshaven:** Emphasizes need to teach what baptism is (not just a naming ceremony).
- **Harbour Parishes:** Proposes 3–4 preparation meetings, explaining baptism’s meaning and responsibilities.
- **Tracton Abbey:** Emphasizes information sessions and home visits by priests or baptism teams.

 *Insight:* All four parishes agree that **deepening parents’ understanding** is essential to making baptism meaningful, not a “tick-box.”

2. Ongoing Support and Follow-up

- **Carrigaline:** Suggests follow-up home visits, post-baptism gatherings, and toddler groups.
- **Harbour Parishes:** Recommends visits from baptism groups and keeping communication open post-baptism.
- **Tracton Abbey:** Proposes ongoing informal events between baptism and First Communion.
- **Crosshaven:** Suggests social groups, toddler groups, and parent faith-building courses.

 *Insight:* There is consensus that **ongoing connection post-baptism** is key to integrating families into the faith community.

3. Inclusion and Welcome at Mass

- **All four groups** emphasized:
 - **Welcoming families** at Mass (especially if children are noisy or restless).
 - Making Mass **more engaging and interactive** for children.
 - Designating **child-friendly spaces** or offering activities during Mass (e.g., coloring, children's liturgy).

 *Insight:* Churches must **actively normalize and accommodate family life** at Mass, removing shame and awkwardness.

4. Youth and Child Engagement

- **Carrigaline:** Suggests children's choirs, altar servers, kids' activity packs, and visible participation.
- **Crosshaven:** Proposes children's liturgy and cheerful symbols of joy (flowers, candles).
- **Harbour Parishes:** Encourages children to light candles, carry gifts, and attend children's storytelling rooms.
- **Tracton Abbey:** Advocates for baby-friendly Masses and encouraging children's presence at all stages.

 *Insight:* Early involvement of children in the liturgy and parish life helps **sustain the baptismal journey**.

5. Baptism as a Community Event

- **Carrigaline, Crosshaven, Harbour, Tracton Abbey:** All propose celebrating baptism **during Sunday Mass** or as part of the wider parish gathering.
- This helps prevent it from being a **private, family-only ritual**.

 *Insight:* Making baptism **public and communal** helps integrate families into the body of the Church from the start.

6. Digital, Social, and Cultural Outreach

- **Carrigaline:** Emphasizes use of **social media, YouTube**, parish newsletters, and **celebrating other cultures** (e.g., garden parties).

- **Tracton Abbey:** Encourages informal church events and **multi-generational engagement**.
- **Harbour Parishes:** Highlight the need to **coordinate across schools and dioceses**.

 *Insight:* Parishes must **modernize communication and visibility**, making baptism part of a **visible, everyday culture of faith**.

7. The Role of Godparents and Sponsors

- Recognized by all, especially:
 - **Carrigaline:** Suggests educating godparents about their role.
 - **Harbour Parishes:** Proposes liturgies that include godparent testimonies.
 - **Tracton Abbey:** Stresses the symbolic and mentoring role of godparents.

Key Points

1. **Preparation is Key**
Every group identified a need to **reframe baptism as a journey**, not a moment, by better preparing parents and godparents.
2. **Hospitality Must Be Real**
Churches must **remove barriers of noise, awkwardness, or unfamiliarity** to ensure young families feel fully welcomed and wanted.
3. **Post-Baptism Ministry Is Lacking**
Many ideas emerged for how to **continue the journey**, but most groups imply that current systems **drop off after the event**.
4. **Celebrate, Don't Hide Baptism**
There's a clear desire to **reintegrate baptism into Sunday Mass** and celebrate it as a joyful, visible, communal milestone.
5. **Digital and Cultural Openness**
Carrigaline in particular offers a modern model of **evangelizing with joy, creativity, and visibility** — potentially inspiring for other parishes.

B. On the Eucharist

1. Active Participation & Inclusion

- Strong emphasis across all parishes on transitioning from passive spectatorship to active participation by laity.
- Encouragement for parishioners of all ages – especially children and youth – to be involved in ministries: readers, choir, altar servers, prayers of the faithful, and offertory.
- Welcoming environments and visible lay involvement seen as crucial.

2. Preparation for the Eucharist

- Regular mention of the importance of preparing in advance: reading scripture, reflecting on the readings, and using tools like “God’s Word” booklets.
- Some advocate for parish-based groups (Lectio Divina, scripture reflection, Alpha) to discuss readings beforehand.

3. Homily and Language

- Homilies should be short, engaging (max 8–10 minutes), and clearly connected to the readings and everyday life.
- Simpler, more accessible language requested to ensure relevance and understanding.
- Suggestion for occasional lay-led reflections or homilies.

4. Youth Engagement

- Many called for monthly or regular youth Masses led by youth (music, readings, hospitality).
- Schools viewed as key partners for formation and liturgical involvement.
- Alpha Youth, prayer groups, and other structured programmes recommended.

5. Community and Fellowship

- Tea/coffee after Mass suggested frequently as a way to foster fellowship and encourage returning attendance.
- Social outlets for parents and families (especially young families) seen as bridges between the liturgy and community life.

6. Hospitality and Welcome

- A “ministry of welcome” – greeters, ushers, and priests at the door – was considered fundamental.
- Several parishes advocate for smiling, chatting, and engaging people at the threshold as powerful first impressions.

7. Spiritual Formation

- Importance of rekindling foundational faith through adult catechesis, RCIA, YouCat, Sycamore.
- Formation of young parents during sacramental preparation (e.g. Baptism, First Communion) is viewed as an opportunity to re-engage.

8. Environment and Atmosphere

- Desire for warm, bright, and inviting church settings (heating, sound system, seating).
- Silence, reverence, and music mentioned frequently as enhancing the spiritual experience.
